RE: Driver License Address Change for Rodney Tom

Dear Ms. Huff:

The Department of Licensing was notified on October 9, 2013 that records submitted to the Washington Secretary of State under the state's "motor voter" program included a change of address in the driver license record for Rodney Tom. After researching Mr. Tom's transaction with the Department of Licensing on July 11, 2013, we have determined that the Department made the address change in error. We corrected Mr. Tom's driver record on October 9, 2013 to reflect his correct address in Medina, Washington.

Sincerely,
